

Dear FCC,I am completely against the NAB's petition 04-160. I utilize XM Satellite Radio and its traffic and weather channels and I pay for this service. Satellite radio provides variety and quality that are not available elsewhere. It should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Respectfully, I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming I demand and deserve.
